

## FIFA 11

The competition would be divided into 4 rounds (pre quarter, quarter, and semi, final). 1st Round (pre-quarter) (Half time length 5 min.):

- The number of participants will decide the number of slots in the round.
- The participant will be given the slot according to FCFS (first come first Serve) basis. After that a number will be given to them 1, 2, 3....
- According to their registration.
- The matches will be held between participant according to their given
- Number that is 1 vs. 2, 3 vs. 4, so on. 2nd Round (Quarter) (Half time length 6 min.):
- The top 8 among the 1st round will be selected according to the Following priority rules
- The player having the highest goal difference will be given the highest priority. If the goal difference will be same: -
  1. The player with clean sheet will be given highest priority.
  2. The player who score more goal will be given to highest priority if the goal Difference will be same.
  3. The player with higher % of ball possession will have higher priority.
  4. The player with less number of fouls will be given more priority.
- The priority rules are to be applied in the order as given above.
- If 2 or more players are level terms after the priority rules are applied, they will play against each other to decide their position.
- In case there are odd number of participants in 1st round then the last participant will play with the 8th ranked player to decide his fate.
- Qualification to the quarterfinals. Qualifier 1 vs. Qualifier 8 Qualifier 2 vs. Qualifier 7 Qualifier 3 vs. Qualifier 6 Qualifier 4 vs. Qualifier 5

### Semi-final:

Each half of match will be in 10 minute each.

### Final:

Each half of match will be 15 minute each. Other rules: The participant can bring their own joysticks or gamepads but the keyboard will be provided by default.
